

# **From Job Postings to Candidate Screening, WorkOne Offers Key Services To Find the Right People for Your Openings**

**As the Market for Labor Tightens, Employers Need Every Competitive Tool to Find the Right Fit of People to Jobs—We Can Help!**

Get access to thousands of job seekers by posting your open jobs with WorkOne. It's simple and no cost. Use our convenient Online Job Posting form or contact your Business Services Representative. You control the content of the posting, and the application process.

Your job order is entered into WorkOne's Customer Self-Service System, which provides computerized job matching to qualified job seekers. Then your order is matched against thousands of applicants registered with WorkOne. You can work independently or concurrently with your Business Services Representative.
